Applicant: Inform your affected neighbors of this application and have them sign this page or record the date you informed them of your application. Applications will not be accepted without this sheet completed.

SOUTH BAY COMMUNITY ASSOCIATION

BUILDING / CONSTRUCTION PERMIT APPLICATION

1.0 INFORMATION

- A New Building / Construction Permit is required for all new construction.
- A Building Modification Permit is required for any project which changes the outward appearance of an existing building or structure.

1.1 INSTRUCTIONS

A fully completed permit application consists of two (2) sets of the following:

1.1.1. SITE PLAN – 1" = 20'

- a. Orientation of lot to adjacent roads, common areas and lots.
- b. Footprint of structure as located on the lot.
- c. Description of any clearing, grading or filling that is to be accomplished. Trees with a diameter of six inches or greater that are going to be removed must be clearly marked.
- d. Location of utilities and sewer serving the lot.
- e. Location of driveways and walkways
- f. Landscaping Plan
- g. North Arrow on Plan

1.1.2. DRAWINGS AND SPECIFICATIONS – 1/4" = 1'

- a. Building size – Square footage and height
- b. Exterior elevations – front elevation must show proposed structure's main floor elevation in relationship to centerline of street in front and finished grade of site.
- c. Floor plan
- d. Exterior materials and finishes (include paint/stain brand name and colors and roof material and color)
- e. Exterior lighting
- f. Porches and decks
- g. Type and location of heating and cooling systems including fuel storage provisions

1.1.3. JOB SITE PROVISIONS

- a. Temporary Structures
- b. Temporary toilet facilities
- c. Location of staging and material storage areas
- d. Measures to be taken to protect vegetation and prevent erosion
